

Launch of CATALYST for FY11 participants

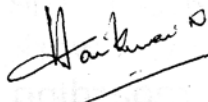

Thank you for the great start!

Dear David,

Thanks to your support and commitment, the launch of the CATALYST program for the FY11 participants – in Las Vegas for the mentors and in Hyderabad for the mentees – has been a huge success. We received excellent feedback from both the mentors and the mentees about the launch. The high quality of these onboarding sessions reinforces our goal of being the standard of excellence in everything we do.

We look forward to making significant progress in institutionalizing CATALYST as a signature leadership development program in the U.S. India offices, and in leveraging the program to build our leadership pipeline. Your commitment to CATALYST is invaluable and has enabled the success of the program.

On behalf of leadership in the U.S. India offices and the CATALYST team, please accept our sincere gratitude. We look forward to your continued support.
